

For many system houses IT security is the target.

For us it was  
**the beginning!**

**You have access to more than 100 years of experience, if you collect the experience of all our employees together, even though Synectico was only founded in 2003 ...**

**2003**

Thomas Küppers and Christian Leibner found the SYNECTICO in Duisburg

**2004**

SYNECTICO moves to Krefeld, engages the first employees and becomes a GmbH

**2005**

The next business expansion: SYNECTICO provides new jobs

**2006**

Customer with up to 6.000 (!) User decide to take Synectico as Partner

**2007**

By now over 10 employees pay attention of the customer demands

**2008**

Synectico got it s first international award
